Welcome to *Plaza Midwood*

Plaza Midwood is a lot of things: edgy, colorful, gutsy, artistic, flavorful.

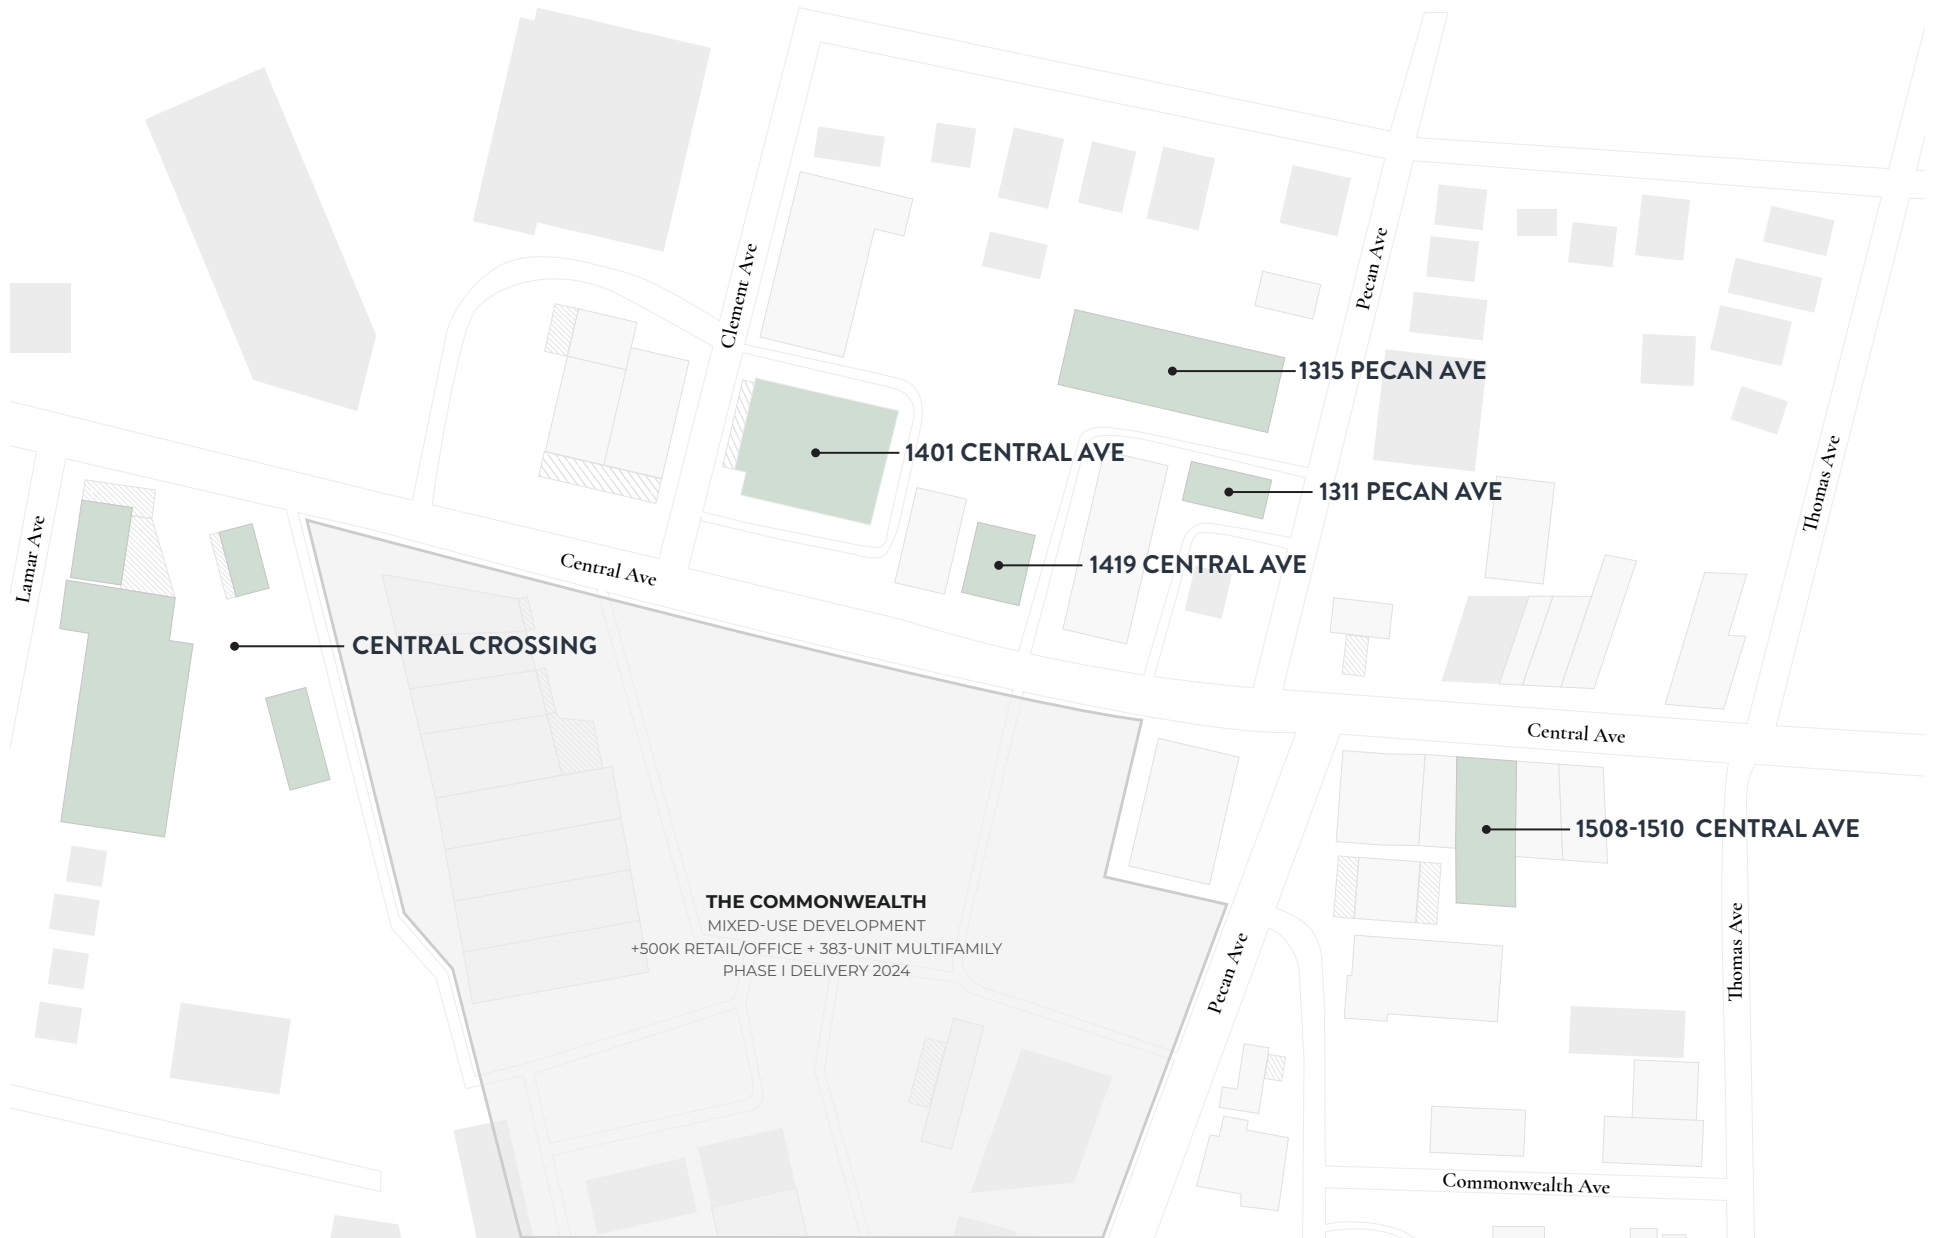

But it is decidedly not one thing: all that interested in your approval. It's what makes this neighborhood so electric.

Prime people-watching territory, Plaza Midwood has been attracting a cast of characters (as well as their banker counterparts) for decades.

In Plaza Midwood, local is king. A business has to be authentic and unapologetic to succeed, but don't let the off-the-wall aesthetic fool you. People come here for quality. Home to some of the highest-rated food, drink and boutiques in Charlotte, it's a diamond in the rough.
